

RE-ELECT JENNIFER SIMS MURRAY

VICE PRESIDENT
(OPEN)

"Who you are is how you lead."

~ Brene Brown

The role of a Released Officer is one of service. ETFO Niagara teachers are at the centre of what I do each day. I am passionate about working together to solve problems, advocating for better working conditions, and helping members navigate different challenges. Working with, and helping my colleagues is an integral part of who I am as a member of the teaching profession.

"You can't really know where you're going until you know where you have been."

~Maya Angelou

As a teacher of 25 years, I have taught every grade from JK-8, including Core French on rotary. I have been active in ETFO since 1997, as Steward, Executive Member, serving on local and provincial committees, and representing you as one of your Released Officers. I continue to learn and grow as I liaise with local leaders, participate in Collective Bargaining training, and work towards my Specialist in Teacher Leadership.

**"The strength of the team is each individual member.
The strength of each member is the team."**

~Phil Jackson

Building connections with members has been a priority for me. Working together, we are stronger. I believe that through listening, sharing, and collaborating as a team we move forward and make each other better. I value what each member contributes to our Local and to our profession. As we move out of the Pandemic, I am excited to meet with members face to face in order to continue building our ETFO Niagara community.

Building Connections - Leading with Empathy - Working Together
