Dear Members:

Re: Exclusive Endorsement – Ontario Teachers Insurance Plan (OTIP)

I am pleased to announce our **exclusive partnership** with the **Ontario Teachers Insurance Plan (OTIP)**. OTIP is a not-for-profit organization, specializing in providing insurance solutions for the education community. For almost 40 years, OTIP has provided ETFO members with unique insurance products and services such as home, auto, life and retiree benefits.

Why OTIP?

OTIP was built on the belief that educators, both active and retired, would be better served by a not-for-profit insurance advocate that is part of the education community. This core philosophy remains intact today. OTIP is proudly governed, led and inspired in part by ETFO and is committed to providing quality insurance benefits and advice to our membership. Whether you work in the classroom, school office, custodial services or any other part of the education community, you have access to OTIP's tailored products and services.

OTIP isn't in the business of making money to pay shareholders. Affiliate owned means all profits remain within OTIP to help fund important and unique value-added services for active and retired members, such as CAREpath, FeelingBetterNow, Express Scripts Canada and the Edvantage program, all at no additional cost to members.

How do you start saving?

As part of ETFO Niagara you have access to special programs and discounts available through OTIP. If you're currently shopping for home and auto insurance, you could save up to 50% off your home insurance for the first year when you purchase auto insurance through OTIP.

Don't miss out! Call OTIP today at **1-888-892-4935** or visit www.otip.com/ETFO_Niagara to get a quote. United we save.

Sincerely,

Jada Nicklefork
